

Stewart Island

One centimetre equals one kilometre

Mount Anglem – highest mountain on the island. Gold deposits here!

Paterson Inlet – huge sheltered inlet. Good for fishing.

The Kiwi fruit fields – hundreds of kiwi fruits grow here!

Sam's Pond – Fresh drinking-water!

The Tin Mountain Range – An impassible mountain range.

Port Pegasus – Sheltered bay (safe from storms). Good fishing.

Moose Country

Ruggedy Mountains

Masons Bay – Huge sand beach

Gog & Magog - Strange mountains surrounded by eerie clouds. People are drawn to these mountains for no apparent reason!
