Dear Ms. Smith,

Re: Endless Thanks for your support

My reason for writing to you today is to thank you endlessly for your dedicated support to 'La French Patisserie'. We have been overwhelmed with support from the Oakville community since our opening in September 2016, but seeing you daily to have your morning French press coffee and pastry continues to be a highlight.

From the first day we opened, you were one of the first customers, and greeted us with a warm smile and conversation. We could not have asked for a more friendly customer to join our 'La French Patisserie' family.

As a thank you for your continuous support, we would like to offer you 4 free specialty coffees a month. A small action from our side as an appreciation gesture.

If you need to reach myself or a member of my staff for any reason, feel free to reach us at-

Phone: 905-123-4567, Fax: 905-765-4321, E-mail: sarah@lfp.oakville.com

Thank you once again.

Sincerely,

Sarah Calder

Head Baker and owner of 'La French Patisserie'
